DAY 1

Luxor East Bank Highlights - Karnak, Luxor Temples and Mummification Museum

After breakfast at the hotel, meet your guide in the lobby to visit the Karnak Temple Complex. This vast ancient Egyptian religious site is located on the east bank of the Nile River in modern-day Luxor (ancient Thebes). Covering over 200 acres, it is the largest temple complex ever built and a centrepiece of Egyptian spiritual and political life for nearly two millennia. Dedicated primarily to the Theban god Amun-Ra, Karnak symbolizes the height of ancient Egyptian architectural, religious, and artistic achievement. Then continue your day by visiting Luxor Temple, a vast ancient Egyptian sanctuary located on the east bank of the Nile River in modern Luxor. Known in antiquity as Ipet-resyt ("Southern Sanctuary"), Amenhotep III and Ramses II built it mainly around 1400 BCE. The temple was dedicated to the Theban Triad—Amun, Mut, and Khonsu—and to the renewal of kingship rather than to any single deity. Lunch at the local restaurant. Afterwards, you will visit The Mummification Museum, located on the east bank of Luxor, which is a specialized museum dedicated to ancient Egyptian mummification practices. It offers an in-depth look at the religious beliefs, techniques, and materials used to preserve bodies for the afterlife, featuring both human and animal mummies. Returning to the hotel after the tour. Meals: Lunch.
