DAY 1

Day Tour to Philae Temple & Kalabsha Temple

Meet your guide and begin your exploration of two of Aswan's most remarkable ancient temples. **Philae Temple** Start your tour with a visit to the beautiful Philae Temple, dedicated to the goddess Isis. Located on Agilkia Island, this stunning temple complex dates mainly to the Ptolemaic and Roman periods and is renowned for its elegant architecture, intricate carvings, and rich mythology. Saved from the rising waters of Lake Nasser and carefully relocated to its present location, Philae remains one of Egypt's most picturesque and best-preserved temple sites. **Kalabsha Temple** Continue to Kalabsha Temple, the largest free-standing Nubian temple in Egyptian Nubia. Originally built during the Roman period under Emperor Augustus and dedicated to the Nubian god Mandulis, the temple features impressive reliefs and well-preserved inscriptions that reflect the blend of Egyptian and Roman influences. Like Philae, the temple was relocated to higher ground during the UNESCO rescue campaign following the construction of the High Dam. Enjoy lunch at a local restaurant before returning to your hotel. After the tour, transfer back to your hotel with wonderful memories of Aswan's rich history and magnificent monuments.
